

BASEBALL REGISTRATION

Oilfields Sports Association

For the 2019 Baseball season the OSA has decided to administer the registration and equipment purchase through the OSA. In previous years all children had to register with Foothills Minor Baseball. This change was made to make baseball more economically feasible for the families within our community. The season normally starts mid-April and runs until the end of June. This year we will be playing teams from communities in the Foothills District including High River, Nanton, Okotoks and Millarville. This will be a house league and is intended to be recreational with a focus on having fun, player development and sportsmanship as opposed to intense competition.

ONLINE REGISTRATION (OPEN FEB 1 – MAR 31)
You must have a RAMP account in order to register.
For registration information and to register go to
oilfieldsball.rampregistrations.com

If on line registration is not an option please contact baseball coordinator below for arrangements.

If you have any questions you can contact your local baseball coordinator Denise Plouffe at:

780-297-9171 deniseplouffe@gmail.com

or visit

www.oilfieldssportsassociation.com

BASEBALL REGISTRATION

Need Financial Help?

There are several organizations that are available to help families who require financial aid in order for their children to play.

JUMPSTART www.jumpstart.canadiantire.ca -

When families need a little financial boost to get kids involved in a sport, dance team or other active program, they need to fill out an application. This needs to be done before the fees are due, as the money goes right to the organization. Applications for assistance can typically be submitted from January 15 to November 1; with the goal for funding to be equitably distributed over Spring/Summer and Fall/Winter activities.

Your family meets our financial need requirements and your kid is registered, but what about the skates/cleats/racquets/gloves/helmets/uniforms they need to play? Not to worry. Jumpstart has you covered. The application asks for equipment details. Funds can also be provided for adaptive equipment to help kids with special needs.

If you have additional questions, call 1-844-YES-PLAY.

KIDSPORT www.kidsportcanada.ca –

KidSport provides grants to children from families facing financial barriers so they can participate in registered sport programs.

KidSport supports programs that provide the child with a sustained sport experience led by qualified instructors.

Please contact OSA if you require addition help submitting an application for financial aid
